

MOVING POSTPONED

LOCAL SUNSET TELEPHONE CO. WILL OCCUPY NEW BUILDING SATURDAY

On account of adjustments required for the batteries, the local Sunset Telephone Co. was not able to move to its new building on Wednesday, as at first planned, but expects to make the change Saturday of the present week and celebrate Christmas in its new home.

It will be a big event for the company and also for the community which has watched the erection of the building and admired its comely appearance.

In this connection certain facts are worthy of attention, for example that the Glendale office opened in June, 1906, with sixty subscribers and that it now has 3,500 subscribers in a district which includes Glendale, Casa Verdugo, La Crescenta, La Canada, Burbank, Lankershim, Van Nuys, Marfan, Owensmouth, Newhall and Saugus. In the Glendale district are sixty-two employees in service, as follows:

Manager's office—Fred Deal, manager; C. W. Dudley, collector; Annie M. Chase, cashier; Blanch L. Cramer, clerk.

Plant department—W. F. Jaeger, district wire chief; H. W. Petty, switchboard man; J. R. Borman, evening switchboard man; C. R. E. Germain, record order clerk; H. C. Bond and B. L. Cushman, repairmen; E. B. Ellis, R. Schwab, E. N. Smith and L. L. Easterly, linemen.

Traffic department—In this department are Etta Nicles, chief operator; Edna Starr, switchboard clerk, and the following operators: Irene Riley, Beatrice Francy, Eileen Sprague, Beattie Van Osall, Emily Van Osall, Edna Henning, Helen Spangler, Eline Moniot, Louise Moniot, Emma Moniot, Louise Lambert, Anna Cutting, Beatrice Gile, Tessa Bott, Ardella Taylor, Bernice Brown, Phebe Cockian, Delores Peters, Myrtle Ojier, Henrietta Bailey, Sybil Roake, Matilda Eichenhoffer, Gladys Gauder, Genevieve Doremus, Esther Flanders, Ruby Fellows, Adele Walker, June Huskins, Laura Crouch, E. Keely, Analia Carmargo, Mildred Elliott, Irene Bennett, Lucile Johnson.

CHRISTMAS ROLL CALL

The Christmas Roll Call work is going forward systematically and satisfactorily. Not only has the territory been districted and allotted to captains and their assistants, who are making a thorough house-to-house canvass, but booths over which pretty girls preside in fetching Red Cross regalia have been established at Brand and Broadway, and these are doing a fine business. The goal for which the committee is striving is a membership roll of 100 per cent for Glendale. As the city has a population of something like 13,000, it will be seen that if the hopes of the Christmas Roll workers are realized the chapter will be the biggest organization in Glendale and the greatest agency for the relief of suffering at home and abroad. Following is a list of workers.

Mrs. George Whitaker, chairman; Miss Coral Griffith, vice chairman.

Captains: Mesdames A. G. Oswald, John Robert White, A. A. Barton, Fred K. Myton, Joseph Renshaw, Charles Houston, A. G. Cornwell, S. F. Whitaker, Charles D. Shattuck, Rena C. Gaidee, Corinne Whittemore, George Marsh, Robert Blackburn; Messrs. C. W. McFadden, John Esterly and Robert Blackburn.

Cashiers: Messrs. C. D. Lusby, George A. Whitaker, Charles Shattuck and Robert Blackburn.

THOSE SOLDIER PICTURES

Chairman Lanterman of the local exemption board says the work of his organization will end Dec. 31. He is greatly disappointed because there has not been a better response to his call for photographs and data regarding the men who have served in Uncle Sam's army from this district, as he would like to see the territory as well represented in the war history which the war department is preparing as other districts will be. There is still time, however, to meet the call, and he hopes the people of Glendale and vicinity will wake up and send these pictures and biographical sketches of soldiers in large numbers between now and Jan. 1, when the office will be closed and the opportunity will be gone.

HARMONY CLASSES NOTICE

Mrs. Dora L. Gibson, supervisor of music in Glendale Union High School, requests all members of her harmony classes to bring their work to her home, 363 West Lexington Drive, next Monday, any time between the hours of 9 and 12.

TRUSTEES' MEETING

PROCEEDINGS FOR IMPROVEMENT OF BROADWAY WILL BE CONTINUED

The board assembled at 7:45 p. m., Dec. 19, 1918, all members being present. The minutes of the last regular meeting were read and approved.

On motion of Trustee Jackson, it was ordered that a correction be made in the minutes of the regular meeting of Aug. 15, 1918, in regard to the hearing of protests against the improvement of Broadway. The correction consists in adding the words "at 8 o'clock" preceding the statement of the fact that the chairman called for the hearing of protests, etc.

At 8 o'clock the chairman of the board stated that at this time protests would be heard against the assessment for the opening and widening of Sycamore Canyon Road. A large number of protests had previously been filed with the board, and at this time Wm. F. Wood, Mrs. Corbaley and Mrs. Wiggins appeared before the board and expressed themselves as protesting against their individual assessments as being inequitable. On motion of Trustee Henry, it was ordered that the protests against the assessment for the opening and widening of Sycamore Canyon Road be denied.

On motion of Trustee Henry, it was ordered that the assessment for the opening and widening of Sycamore Canyon Road be confirmed.

An application was received from George T. Paine for the position of city manager of the city of Glendale, the applicant stating that he would serve for any amount which the trustees might name and donate the same to the charities of the city, also furnishing his own automobile without expense to the city. Mr. Paine appeared in person before the board and stated his qualifications for the office and his desire to be of service to the city. On motion of Trustee Jackson, the communication was referred to the committee of the whole.

Mr. Paine's communication follows:

To the Honorable Board of City Trustees, City of Glendale.

I hereby make application for the position of city manager of the city of Glendale, the salary to be any amount you may name, which I will give to the charities of this city. I will also furnish my own automobile without expense to the city. Yours truly, GEO. T. PAINE.

P. S.—My reasons for making this application are that I am informed by members of this board that the present manager has been offered a better position in a nearby city; also I have been requested by a member of the board to make the application.

My qualifications for this position are that I served in this capacity for several years in a city which put in water works, sewer system and streets, and all were successful. I also served as agent for the Standard Oil Co. and had charge of 12 towns for some 16 years, which was only terminated by my leaving there. I also took charge of the Bank of Edmont when it had deposits of \$4,000, and it now has \$400,000. As you know, I am a director of two banks in this city.

An application for a permit to conduct an automobile freight business was read from David L. Held of Santa Monica. It was explained that Mr. Held desires this permit in compliance with the requirements of the railroad commission; he does not intend to do business in the city of Glendale. On motion of Trustee Shaw, the permit was granted.

The city health officer submitted a report on the influenza situation, showing that during the week just ended the greatest number of cases reported for any one day was twenty-eight and the lowest number seven, on the date of the report; a total of 121 cases for the week. The report stated that all houses under quarantine had been placarded, and in the opinion of the health officer there is no necessity of placing a ban on public meetings. The report was filed.

The report of the tax collector was presented, showing collections since the last report amounting to \$1,944.92 and total collections to date of \$51,906.27.

The report of the treasurer for the month of November was also presented, and with the tax collector's report was referred to the finance committee.

A communication was read from Dr. Lucas, requesting exemption on certain property owned by his mother, which had been sold for delinquent taxes, on the ground that the owner was entitled to exemption under the soldiers' and sailors' widows' exemption law. The communication was referred to the city attorney.

A communication was read from P. E. Maxwell objecting to being

(Special Service to Glendale Evening News)

Los Angeles, Dec. 20.—It is authoritatively announced that Mrs. George P. Bullock, deputy district attorney, will prosecute Mrs. Gertrude M. Gibbons, charged with the murder of her husband, Frank Gibbons. Mrs. Bullock will take the ground that Mrs. Gibbons administered poison to her husband because of constant nagging.

Earl Rogers will defend Mrs. Gibbons, who today asked for a jury of men, fearing that prejudices of women would react against her. An alleged confession that she had possessed cyanide, and a handkerchief in which cyanide crystals had been crushed, in the possession of Captain of Detectives George Home, it is said, will figure in the testimony and evidence.

A communication was read from the city manager submitting a report on the operation of the emergency hospital. The report stated that the total cost of operating the hospital was \$726.98, of which \$460.92 was for the pay of nurses. The total number of patients cared for was twenty-nine. The total charges to patients being \$421.75, of which \$1212.86 has been paid to date, leaving a balance due of \$208.89. The total expense of the hospital in excess of the sum charged to patients was \$305.23 and the city manager recommended that an appropriation be made to cover that amount by a transfer from the general budget fund to the general service fund. On motion of Trustee Shaw it was ordered that the sum of \$305.23 be transferred from the general budget fund to the general service fund, to be appropriated from the general reserve fund.

On motion of Trustee Shaw the city attorney was instructed to draw up an ordinance providing for the collection of Glendale city taxes by the county of Los Angeles.

On motion of Trustee Muhleman, it was ordered that the city manager be authorized to order, for the use of the city departments, six copies of the directory being prepared by A. T. Cowan.

Trustee Muhleman offered a resolution, which was adopted as Resolution No. 1057. "A resolution of the Board of Trustees of the City of Glendale appointing Walter Troutwein

traffic officer of the City of Glendale and fixing his salary."

The manager of the public service department reported that the new transformers had been delivered to the city on Monday, and payment made for same in accordance with the contract.

The city attorney submitted a report advising the board that he had examined the proceedings for the improvement of East Broadway and finds that the different steps provided for by the statute have been properly taken; he, therefore, advises that the proceedings are in condition to warrant the board in proceeding with the improvement. On motion of Trustee Shaw it was ordered that the city clerk be instructed to advertise for bids for the improvement of Broadway as provided in resolution No. 1046. The time for the opening of bids to be Jan. 9, 1919, at 8 o'clock p. m.

Trustee Muhleman presented a resolution and moved its adoption calling for an election to be held on the 20th day of January, 1919, for the annexation to the city of Glendale of certain territory designated as Grand View District and that notice of such election be made as provided by law. The resolution was adopted as resolution No. 1058.

Demands were reported back approved by the finance committee and on motion of Trustee Shaw warrants were ordered to be issued in payment of same.

On motion of Trustee Shaw ordinance No. 3042, "An ordinance amending ordinance No. 22 of the city of Glendale," was adopted.

M. E. BROTHERHOOD

HEARS STIRRING ADDRESSES ON MOVEMENT TO UNIFY CHRISTENDOM

The banquet to men and boys served by the Brotherhood at the First Methodist Church of Glendale Thursday evening was an enthusiastic and highly successful affair. Covers were laid for about sixty in the banquet hall of the church, and it was served by the men of the Brotherhood, for it was an Eveless Eden.

The first after-dinner speaker was Rev. Kingan, who presented the Methodist Centenary Movement which is being promoted throughout the country by the Methodist Episcopal Church. He spoke of the relation that the movement will bear to the local churches and the part that individuals will take in it. Its first object, he said, is to raise the spiritual life of the church to a higher level. Its second aim is to accumulate a fund of eighty millions for home and foreign missionary work. A considerable part of this sum is to be spent in Southern California among the Latin-American population. It will work in harmony and co-operate with the agencies the government is striving to put in motion for the Americanization of the immigrant peoples of the United States.

Rev. C. H. Scott, pastor of the church, then made a brief address to the men and boys present, and at the close of his remarks introduced the principal speaker of the evening, Dr. Dalton of the First Methodist Church of South Pasadena, who made a most interesting talk on "The Aftermath of the War." He showed how necessary it is to have not only a league of nations, but a unification of Christendom by building up the Christian spirit among all the nations of the world as the surest protection against a repetition of the horrors of war.

Rev. Kingan, the first speaker, was for many years a missionary in India and has been sent to America to spend a year in the promotion of this movement. He will represent it in the field covered by the Southern California Conference.

All who attended this function pronounced it one of the most profitable gatherings the Brotherhood has held. Arthur G. Lindley, head of the organization, presided.

RED CROSS RECONSTRUCTION

Thursday the local Red Cross chapter had a call from Mr. Allen, field director from the Pacific Division. Mr. Allen expects to be stationed in Los Angeles and to be in close touch with southern chapters. He inspected the various departments of work and made some valuable suggestions. The reorganization of the work to put it on a peace basis is taking place, but the need for continued activity was made plain by Mr. Allen. We still have an army abroad to be cared for, and an immense task in relieving distress in Russia, where thousands are dying of starvation and disease. Also we have a nearer call, the succoring of distress right here in America which is resulting from the widespread epidemic of influenza and pneumonia, which is making heavy demands upon the Red Cross for service and money.

CHRISTMAS PARTY TREATS

The charming trio, Elsa, Munya and Clarita Cherniavsky, sisters of the world-renowned Cherniavsky brothers, Leo, Jan and Michel, and daughters of Professor Cherniavsky, noted Russian musician now affiliated with the Keller school, will contribute to a program to be given in connection with the Christmas masquerade dance at the Keller school Saturday evening, December 21. As these talented young women are in great request and command big prices, patrons of the dance should appreciate the privilege it will be to hear them. The instruments of the trio will be piano, violin and cello. Miss Esther Ralston, a pupil of the school, will give the costume solo dance, "La Coquette," and Ora Dayton Lockhart, cousin of Mrs. Keller, a whistling number.

There will be many surprises during the evening and the dance promises to be the largest, most important social affair of the season. Tickets can be had only at the studio, at 109-A North Brand Boulevard.

In the afternoon the annual Christmas party for pupils of the school will take place from 3 to 5 o'clock. It also will be a masquerade. There will be a Christmas tree, holiday decorations and a jolly good time.

WEATHER FORECAST—Fair tonight.

ELMER O. NELSON

ARRIVES IN 'FRISCO WITH 40TH COAST ARTILLERY FOR DEMOBILIZATION

Glendale had a representative in the first contingent of all California troops which reached San Francisco yesterday and was welcomed by cheering thousands who waved flags and demonstrated in other ways their patriotism and enthusiasm. The boy from our own city was Elmer O. Nelson, who was trained at Fort Winfield Scott and who is the son of Mr. and Mrs. W. L. Nelson of 118 Cedar Street. There were 600 of them, members of the 40th Coast Artillery, who had been returned from Camp Grant.

Mayor Rolph, with other city officials and seventy-five or more women and girls from the Red Cross cañon met them at the ferry with substantial tokens of appreciation in the shape of gifts of candy and other things dear to the hearts or stomachs of soldiers, and then led them in a march through the business section of the city. Bands played, crowds of pedestrians thronged the sidewalks, and it was a gala occasion all around.

These men, together with 800 from Washington and Oregon, left San Francisco Nov. 3 for overseas duty, but were halted by the armistice and sent back from the port of embarkation to Camp Upton, N. Y., and thence to Camp Grant. Col. Henry G. Mathewson of Alameda County, a former colonel in the California National Guard, was in command.

HOME SERVICE DEPARTMENT

Mrs. Arthur Brown, chairman of the home service department of the Glendale Red Cross, does not lack for occupation in connection with her chairmanship. She explains her work by saying that whenever a soldier has been sick or wounded and under special care, as soon as he is on his way home she is notified by his commanding officer or the hospital where he is treated and is instructed to see that he and his family are cared for and to assist him to get employment when he is able to work. Last month she responded to twenty-eight calls and this month's record will probably be as great. It is her work to see that the dependents of the men who have served in the war, and have been ready to offer up their lives if need be, do not suffer, and if they have not received the allotments which the government has undertaken to pay them, to make advances and meet their needs until the matter can be untangled and they get the money due them. It will be seen that her work will continue and increase rather than diminish. She is supported by an excellent committee, consisting of Mrs. Ben Wilde, W. E. Evans, who acts as attorney for the committee in connection with allotment claims, etc., and Dr. A. L. Bryant, consulting physician of the committee.

Mrs. Brown is very conscientious about her task and anxious to cover the field. Her telephone number is Glendale 736, and she will be glad to receive a call from any one who wishes information about allotments or who knows of a case of need which should be investigated.

LUNCHEON PARTY

Mrs. H. W. Webb, wife of Lieutenant Webb of San Diego, was the guest of honor Thursday at a five-course luncheon given by her sister-in-law, Mrs. G. G. Henry, 679 San Fernando Road. At a beautifully appointed table, centered with Cecil Bruner roses, covers were laid for seven, the guest list including, besides the honoree: Mrs. A. F. Henry of 314 South Brand; Mrs. Whitten of Riverdale Drive; Mrs. Theo Strand and daughter, Rachel, of Spokane, Wash., and Mrs. Agnes Hamilton of Riverdale Drive.

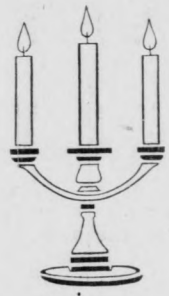

Mr. and Mrs. Strand and daughter are guests of Mrs. A. F. Henry. The two ladies are sisters and have not met before for twenty-two years. Mrs. Henry is planning a big Christmas dinner and family reunion, as her daughter, Mrs. Webb, will be with her during the holidays, and her son-in-law, Lieutenant Webb, will come up from Rockwell Aviation Field at San Diego for Christmas. As the lieutenant is captain of the Rockwell Field football team which is to play a Christmas game in Los Angeles against the Submarine Base team of San Pedro—a big event in sporting circles—the dinner will not be served at the Henry residence until 6 o'clock, that all may be free to enjoy it after the excitement of the day.

Mr. and Mrs. Strand and their daughter are so charmed with Glendale that they are seriously considering locating here permanently.

RED CROSS STATISTICS

FINAL REPORT OF TUJUNGA AUXILIARY OF PASADENA CHAPTER

At the time of disbandment of our auxiliary Dec. 3, on account of the inability of our best workers to meet two days in the week, which we had to do in order to retain the number of sewing machines the chapter kindly supplied us with; not from a financial condition, as has been erroneously reported, I felt that a complete report was justly due to the number of good women who so faithfully put in their whole time day after day at the work.

Not having the data at hand on day of disbandment, I take this opportunity of informing the workers of Tujunga what they have accomplished during the past year. There were completed and sent in fourteen hundred different articles and nine quilts, two of which were pieced by the children of our Junior Red Cross, to Pasadena chapter and the French Red Cross, besides innumerable knitted garments of which we have no record.

During the year the auxiliary has collected and sent to Pasadena chapter \$472.25, including membership fees. Expenses for the year \$82.12. Membership at time of disbandment was 163. At the beginning of the year we numbered twenty-one members.

In closing this last report I wish to thank every man, woman and child in Tujunga for their co-operation and faithful work in making our auxiliary such a success.

MRS. WILMOT PARCHER,
Chairman.

Momentous

When you come to think of it, the Germans, Austrians, Hungarians, Russians and Turks have had no coffee for over four years, and have been drinking substitutes composed of chopped alfalfa, acorns, nut shells and other powsey wosey stuff, now the war is over everybody wants coffee. Hence the scarcity and high prices. Experts say there is only about 10 days' supply in the country and jobbers can only buy from hand to mouth for present needs until things get back to normal in from six months to two years. Can coffee will go sky-high owing to the cost of cans and labour. Good-bye to 20c, 25c and 30c coffee!

Booth will endeavor to keep up his high standard grades so long as prices will permit—35c lb, 3 lbs. \$1.00; 40c lb, 3 lbs. \$1.10; 45c lb, 3 lbs. 1.25.

These prices are not exorbitant when one takes into consideration that 40 cups of good coffee can be obtained from one pound of Booth's Better Blend Coffee, and thousands pay daily 5c to 10c a cup for coffee at the restaurants.

Personals

The Glendale Elks' Lodge is planning a New Year's Eve supper and dancing party for members and their ladies.

Miss Dorothy Williams of 208 South Orange Street, who has been attending the university at Berkeley, arrived yesterday to spend the holidays with her parents.

Mrs. H. P. Courtney of 217 Orange Street is now able to be out after a very severe attack of gastritis. She has been confined to her home for three or four weeks.

Red Cross Roll Call workers state that if any would-be members have been omitted in the canvass, if they will telephone Red Cross headquarters, Glendale 1147, someone will call upon them and collect the dollar.

Harold Crane of Clear Lake, Iowa, has arrived in Glendale and is at the home of his grandfather, J. K. Hill, 420 North Kenwood, where he will make his home. Harold came to Glendale to attend Glendale Union High, where he expects to complete a course of study.

Mrs. John Cotton is seeking a furnished house for friends who are coming from Toronto to California for the winter and who would like to locate in Glendale. She says the popularity of Glendale has filled most of the houses and she is having a hard time locating anything that will do.

The body of Frank Ragland, a former resident of this city, who died at Douglas, Ariz., Sunday, reached Glendale Thursday night, and funeral services are being held this (Friday) afternoon at 2 p. m. in the Little Church of the Flowers at Forest Lawn Memorial Park, instead of at the Pulliam parlors, as at first planned. The Pulliam Co. is in charge.

The soldier boys and college boys are coming back. Walter Beach and Doliver Webb, who have been at the S. A. T. C. in Berkeley, are here. Both were graduates from Union High last June. Emerson Padelford, who has been at the S. A. T. C. at the State Normal in Los Angeles, got home to stay last Saturday.

Will Richards, who formerly lived at the corner of Adams and Wilson Avenue, this city, and who has been in service at Camp Kearny, has been discharged from the army and has resumed his work with a Los Angeles bank. His grandparents now live at Twelfth and Wall Streets, Los Angeles. He retires from the army with the rank of sergeant.

J. H. Jackson of Catalina, a former resident here, who was called to Glendale by the death and burial of his brother-in-law, Francis M. Shumate, says that there is an unusually large colony of tourists at the island this winter. The St. Catherine, the big hotel built by the Banning Company, is to open the 15th of January, and has, it is reported, a big booking for the winter.

Mrs. Clara V. Eastman and small son, Samuel, are visiting the former's mother, Mrs. James Graham, 200 East Dryden Street, prior to their departure next week for San Salvador, Central America. The many Glendale friends of Mr. and Mrs. Eastman, who formerly resided in this city, will be interested in knowing that Mr. Eastman has gone to San Salvador to establish a branch house for a large Los Angeles wholesale firm. He is enthusiastic over the opportunities afforded aggressive Americans in these southern countries, particularly those who can speak Spanish. Mrs. Eastman is a sister of Corporal Frank Littell, well known Glendale boy, who has been serving with the Rainbow Division in France for more than a year.

While the experiences of Richard Berry of North Louise Street, this city, could hardly be said to range from pauper to prince, there was quite a sharp contrast between the modes of travel he employed on the last journeys he made from the aviation field in Riverside to this city. The first time he made a hike on foot, and as he is some walker made the 44 miles between Redlands and Glendale in one day. The twenty-eight miles remaining between Glendale and Glendale he covered the next day. One day was spent here visiting his parents and then he returned to the camp for demobilization. His final journey home after discharge was made with all the luxuries provided for millionaire travelers, for he came on the Limited in a Pullman observation car. Private Berry is a musician of considerable local repute.

DEATH OF J. M. FREEMAN

J. M. Freeman, a long time resident of Glendale, passed away at his home, Maryland and Broadway, this morning at 8 o'clock. Funeral services at the Jewel City undertaking parlors Monday, Dec. 23, at 10 a. m.

BE SURE to see our table of Christmas specials. J. A. Newton Electric Co., 629-31 E. Broadway. 8918

James Webb of 216 West Milford Street has gone to Sac City Iowa, to the bedside of his mother, who is over 75 years of age and so ill that her recovery is uncertain. Her ailment is the result of injuries she received in a runaway some years ago. He will probably be away for several weeks. His son, Doliver Webb, arrived Thursday noon from Berkeley, following the receipt of his honorable discharge from the S. A. T. C. He will enjoy the holidays at home and then decide what line of work he wants to take up.

E. L. Osborne, whose home in this city is at the corner of Columbus and Broadway, returned about ten days ago after a three months' sojourn in Colorado, where he has still another home. Immediately upon his arrival he was taken down with influenza and conveyed to the Glendale Sanitarium, where he says he had splendid care and recovered so completely that he feels better than he has in six months. He is now out of quarantine and is about to visit a daughter, Mrs. E. R. Furstenfeld, who lives in Van Nuys.

MRS. J. R. MAXWELL LOSES NIECE

Sorrow has come to Mrs. J. R. Maxwell of 136 West Park Avenue in the death of her niece, Mrs. Minnie Boynton Whittaker of Los Angeles, who passed away Thursday morning, Dec. 19, 1918, of influenza-pneumonia. The circumstances are especially sad, as her father lives in Oregon and her mother is absent visiting friends in New York; only her husband was with her. Funeral services, which will probably be held at Forest Lawn Memorial Park, will be subject to news from the parents of Mrs. Whittaker.

RED CROSS FOOD SALE

A Red Cross food sale will be held Saturday at the salesroom for salvage in the Davenport Building on Brand Boulevard and Cypress. Mrs. Eustace B. Moore will be in charge and will be assisted by Mrs. Clisbee and Miss Ball. The salesroom is in charge of Miss Maybelle Douglass and Mrs. Curtiss, teachers in the Cerritos Avenue School. There are fine cooks in that section of the city, all of them patriots and friends of the Red Cross, and it is safe to say that the contributions will all be good. The trouble with food sales down there is that the stock never lasts. Orders are often placed ahead and unless one is there when it opens the buyer gets left. Those who want choice home cooking will do well to be on hand early.

FUNERAL OF F. M. SHUMATE

Funeral services over the body of Francis Marion Shumate, who passed away at Thornycroft Dec. 18, will be held at the Pulliam parlors Saturday afternoon at 2 o'clock. Interment will be made in Forest Lawn Memorial Park.

Rev. Clifford Cole will conduct the services and the following will act as pall bearers: Messrs. George Smith, W. E. Evans, Norman Bishop, Robert Burns, Franklin Pitner and Br. Burton.

SEES BIT OF AMERICA IN LONDON CHILD CENTER

(By United Press.) London, Dec. 20. (By Mail.)—A tall figure in the blue flannel shirt of the American hospitals stopped and looked about the mean street with a puzzled air. He had set out to find the Tower of London and had hopelessly lost himself in the tangle of slums lying in its neighborhood.

Suddenly he caught sight of the Stars and Stripes on a painted sign bearing the words: "American Red Cross Child Welfare Centre."

"I guess they'll set me right if I call in here," he said, and opening the door of what had been once a saloon he found himself in the midst of a group of East End mothers and sprawling babies.

He was turning to retreat when a voice said, "Come right in this is a little bit of America."

So he stayed and talked to the American trained nurse and tried to guess what the cockney women were saying to him, but could only guess that it was something very friendly.

The babies were shy at first. "Garn silly," said the most talkative of the mothers to her two-year old, "Ee's no Hun. Can't yer see ee's a Ally?" and soon the child was listening to the ticking of the soldier's wrist watch.

"I forgot all about the Tower of London," he said to the nurse as he went away. "It was so home-like hearing you talk and seeing the babies. I've one of my own. See," he said rather shyly, "I'll show you my mascot." And out of his pocket he drew a baby's first glove still showing the wrinkles made by tiny knuckles and with finger ends chewed by baby teeth.

The Red Cross drive that was started on Monday is meeting with a generous response. It is not generally understood that the drive is for the National Red Cross and the money paid in goes for any kind of work done by this association, whether it be war, fire, flood or other calamities that visit the nations. Each

can afford to give one dollar a year to this great philanthropic work. Get busy with your dollar. Miss Ellbert at the post office or Miss Osgood at the water office will receive the money and give out receipts and buttons. All must be in by Christmas.

the sale of fruits and needlework netted \$22.

Mrs. Whitman received notice of the severe illness of her mother in Canada on Wednesday morning and left on the early stage for Los Angeles and her former home in Canada.

A nice box of supplies for the old men and ladies of the county hospital was sent in on Thursday by Postmaster Ashby. Many of the people of Tujunga helped to fill the box.

On Saturday morning the usual box sent to the Parent-Teachers' Association each year from the Woman's Club was filled with generous donations from everyone. This is the third year we have sent Christmas supplies. Mrs. Dean and Mrs. Fairfield have done the soliciting and packing and Al Richardson takes the boxes in free of charge. Donations of fruit, groceries and clothing are sent in each year. On account of the "flu" the call is even greater this year than in any previous years.

Dr. Kenan, who purchased the lots on Sunset and Los Angeles, will begin work next week on his garage and house.

C. H. Clark has the contract for the house on the Playter place and Mr. La Rue will supervise the building of the house on his own acres on Pine Street.

Mr. Hubbard on Stephens Way is ill with a heavy cold.

Mr. Garcia has leased the former Warfield home on Palm Avenue for a year.

Mr. and Mrs. Richardson, who have been in Tujunga for the past four months, have taken the Haggerty place on Monte Vista for the winter.

George Buck is contemplating building at Long Beach for a summer home.

Mrs. Rankin of Porterville was a caller at the home of Mrs. Leckie on Monday.

Mr. Michel, who has been a resident of the colony for the past five years, passed away at Tropico last week. Mr. Michel had been in very poor health for the past two years, since he suffered a stroke of paralysis, and passed away from a third stroke. He leaves a wife and daughter to mourn his loss. Miss Michel is a teacher in Los Angeles, but their home is here on Stephens Way.

Miss Cora Bracewell and niece, Elsie, were visitors for three days in Tujunga, looking after property interests in this locality.

It would seem that Tujunga was waking up again. A number of lots have been transferred to outside parties. The two lots on the northeast corner of Sunset Boulevard and Los Angeles Street were sold last week to Dr. Keenan, who will at once clear them and put up a house. The two acres on Pine Street south of W. Wieman's was sold to Mr. LaRue, who will make his home here. The lot next to Dr. Kearney's on San Ysidro Road was also sold to Los Angeles parties. The Playter home on Stephens Way has been sold and the lot formerly owned by Mr. Becker on the same street, the acre with the house on it. Other lots are being negotiated for and the purchasers will make their homes here. Most of these deals were put through by Dean & Co., who report a considerable activity along real estate lines.

The men of Tujunga are preparing an entertainment to be given at Bolton Hall New Year's Eve. It is proposed to give a supper and entertainment to the women of the vil-

LA CANADA

Services in the La Canada Church will be held on Sunday morning at 11 o'clock. Preaching by the Rev. John L. Maile of Los Angeles, preceded by the Sunday School, which assembles at 10 o'clock.
